United States Department of State
Office of the Secretary

Your Meeting with Councillor Fang Yi

KEY OBJECTIVES

1. Affirm US support for expansion of cooperation in S&T and raise new proposals.
2. Affirm continued US support for China's modernization and address China's export control concerns while explaining our own concerns.

BEAR IN MIND

1. Fang is anxious to expand S&T cooperation as fast as possible.
2. Fang wants us to be much more liberal on technology transfer and has been critical of US export controls.
3. Fang is a somewhat shy and sensitive man.

ADDITIONAL OBJECTIVES

1. Raise US concerns about access for researchers in China.
2. (If raised by Fang) Respond to Chinese inquiries about current export licensing cases, including Landsat.
